DEPARTMENT OF THE INTERIOR,

UNITED STATES INDIAN SERVICE,

Santa Fe, N. M. March 9, 1906.

The Hon. Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have just completed the census of the twelve pueblos in my district and forward the same today. A great deal of care and pains have been taken in securing this census, and while in every particular it may not be absolutely correct, it is as nearly so as can be had.

I have retained a copy of this census on cards, separating same by families, and keeping each pueblo separate. In addition to the information given on your printed form I also have a record of the number of horses, cattle, sheep, goats, and burros owned, also number of wagons owned, number of acres cultivated, and whether or not the individual wears Citizen or Indian dress. I expect to hereafter get reports of births and deaths quarterly from the different pueblos and keep my census corrected every three months. It will not be possible to get this information from Santo Domingo, as even the church authorities do not know when the Indians in this pueblo die. I am endeavoring in some way to arrange this, however, so that I may get the desired information. I am

Very respectfully,

*Glennudall*

Superintendent.
